Fior di Latte e Amarena

Milk with Amarena cherry juice

NEW

This is the ultimate milk ice cream!
Fresh milk and cream from the region of Valtellina (North Italy). Its tenderly melting consistency and refreshing milk flavour make it one of the most popular varieties. The Amarena syrup, produced by our gelatiere - Roberto Ghisolfi -, gives the gelato an additional sweet and sour taste.

Available in 4 litre container (2.4 kg)

Price CHF 29.80/container
